2.	<p>Minutes of the Previous Meeting (28th February 2018) & Matters Arising</p> <p>The minutes were agreed as an accurate record with the following matters arising discussed:</p> <ul style="list-style-type: none"> • There were bids from the Newport area to the PCC funding but it was felt that more bids could have been submitted. It was suggested that for the next round of funding that the information is also sent to Karen Williams (Communities First). • Chasing information from the Fire Service on the Suicide Signs project to communicate to the partnership. • An update on Mini Police was received from Gwent Police, which was compiled and circulated via the One Newport email. • A PSB Protocol was being drafted by PSB member comms teams, which will be added as an appendix to the Communications Plan once agreed. The original lead on this (Newport City Homes) is now unable to continue this piece of work so further discussion is required to decide who will lead on this. 	

No	Item	Action / Decision
	<ul style="list-style-type: none"> The governance arrangements for partners still need to be followed up on. Individual organisations need to check their own corporate plans that they reference the PSB Well-being Objectives and synergy with the Well-being Plan. Caring for the Future was discussed and it was agreed that this would be added to the next agenda (August) for further discussion before sending a proposal to the PSB. <p>It was agreed</p> <p>Circulate information to the partnership on the Suicide Signs project.</p> <p>Check up on the governance arrangements for partner organisations.</p> <p>Check corporate plans for reference to the PSB Well-being Objectives and synergy with the Well-being Plan.</p> <p>Attend the next meeting to discuss the 'Caring for the Future' report.</p>	<p>Wayne T</p> <p>Will G</p> <p>PSB member organisations</p> <p>Jas Bains (Hendre Limited)</p>
3.	<p>SIP Draft Annual Report 2017-18</p> <p>The final content for the annual report needs to be provided by <u>Friday 1st June</u> ready to finalise before it is presented to the PSB on the 12th June. This report will then be presented to the Partnership Scrutiny Committee on the 25th July.</p> <p><u>Communications</u></p> <p>It was discussed how we could communicate the annual report, with it suggested that we could use the foreword from the PSB chair.</p> <p>It was agreed</p> <p>Write the foreword on behalf of the PSB chair.</p> <p>Circulate a news article on the final SIP annual report.</p>	<p>Huw W (NCC)</p> <p>Wayne T</p>

No	Item	Action / Decision
	<p>It was agreed</p> <p>Report on progress made on the Intervention Boards at the next meeting.</p> <p>Terms of reference to be drafted.</p> <p>Arrange meetings with the PSB Intervention Leads to discuss the next steps for each Intervention.</p>	<p>Intervention Leads</p> <p>Emma W</p> <p>Emma W / Huw W / Caroline J / Nicola D (NCC)</p>
5.	<p>Safer Gwent – Community Safety Governance</p> <p>Tracy Mckim gave an overview of the report produced on behalf of Safer Gwent including the current gaps in governance. There is a requirement in law to have a Community Safety Partnership / cover the statutory responsibilities under the Crime and Disorder Act.</p> <p>It was noted that it was intended for the report to go to the PSB for discussion in June but there was a need to think about the potential issues that exist locally given that the SIP has come to an end.</p> <p>The Board looked at a diagram that’s been produced showing how the work was reported under the SIP’s Safe & Cohesive Communities Theme and how this fit with the new Well-being Plan structures.</p> <p>It was suggested we could include ‘Safer Newport’ as part of Strong Resilient Communities or we could make ‘Safer Newport’ a separate stream of activity with structures outside of the Well-being Plan structure, which will feed into Safer Gwent and the PSB as and when required.</p> <p>It was agreed</p> <p>To set up a separate stream of activity for ‘Safer Newport’ outside of the PSB / Well-being Plan structures.</p> <p>Produce a cover report for the Safer Gwent report on what we are going to do locally regarding Safer Newport.</p>	<p>Strategy & Performance Board</p> <p>Tracy Mck / Supt Roberts</p>
6.	<p>Flexible Funding</p> <p>Keir Duffin explained about flexible funding, which brings together a number of separate funding streams into one funding stream / contract e.g. Families First, Flying Start, Supporting People, etc.</p> <p>This is work in progress, with Welsh Government also asking each path finder what this means locally. In year 1 we still have to report on how money is spent in each area (currently a hybrid model).</p> <p>For the PSB it does allow us to make sure this funding aligns with the actions in the well-being plan along with any future opportunities locally e.g. around skills.</p> <p>It was agreed</p> <p>To report to the PSB to include partner implications (see PSB work programme).</p>	<p>Keir D</p>
7.	<p>Future Trends Report – Ash Futures</p> <p>Emma Wakeham highlighted the future trends report, which was paid for</p>

8.	<p>PSB Work Programme</p> <p>There have been some changes made to the schedule including moving the agenda items on the Newport Intelligence Hub and the Partnership Evaluation to a later meeting.</p> <p>It was agreed</p> <p>Provide an update on apprenticeships across PSB members at the next PSB meeting in June.</p>	Keir D / David P (NCC)
