| <b>Lead</b>   | Nicola Prygodzicz /<br>CS Ian Roberts | <b>Reporting Period</b> | Qtr.1 2019-20 | <b>Red</b>  | Progress well behind target                 |
| <b>Key Achievements &amp; Successes</b>   |                                       |                         |               | <b>Key Performance Measures</b>   |   |
| <p>SRC Board agreed to focus short term attention on a place based approach in the East of Newport. We are working with the local community in Ringland to develop social capital with a view to improving well-being and quality of life. The Board meets on a bi-monthly basis and held a well attended stakeholder workshop in April to inform the delivery plan. Progress is being made in developing a delivery plan aligned with the Integrated Wellbeing Networks programme.</p> |                                       |                         |               | <b>Target</b>   | <b>Actual</b>                               |
| <p>The Mutual Gain Project to increase social capital and community resilience to serious and organised crime in Ringland is complete and evaluation is underway. This included a community engagement event called a “connecting café” and a successful participatory budgeting scheme to fund community projects. Both received positive feedback and the overall process has been well received by stakeholders.</p>   |                                       |                         |               |   | <b>RAG</b>                                  |
| <p>Ringland Community Campus – includes 3 strands: health and well-being centre, Neighbourhood Hub &amp; Newport City Homes masterplan regeneration programme. The hub is on track to open in the autumn according to plan.</p>   |                                       |                         |               | % of people who feel safe in their local area (day/night).  | TBA   |
| <p>Volunteering programme – a participatory budgeting fund is in place to fund community projects and boost volunteering. Provision of coaching to individuals to develop their abilities and to support the capacity of the Ringland voluntary sector.</p>   |                                       |                         |               | % who feel able to influence decisions affecting their local area.                                | TBA   |
| <p>Adverse Childhood Experiences – PSB to consider holding a stakeholder workshop to develop a strategic and integrated approach to the ACEs agenda. Early Action Together Programme rollout – ACEs training for all Police Officers and key public services employees aligned with training by the ACEs Support Hub being delivered in schools.</p>  |                                       |                         |               | % people satisfied with their local area as a place to live.                                      | TBA   |
| <b>Main Risks / Barriers to progress</b>  |                                       |                         |               | % of people who volunteer.  | TBA   |
| <b>Status (H/M/L)</b>   |                                       |                         |               | % of people who are lonely.   | TBA   |
| <b>Mitigating Actions / Support Req'd</b>   |                                       |                         |               | Social capital measures for Ringland in development   |   |
| Place based approach is a new way of working and will need cultural and organisational change.  |                                       |                         |               | <b>Plans for next quarter and the future</b>  |   |
| Low   |                                       |                         |               | Develop delivery plan for the intervention  |   |
| PSB oversight and Intervention Board leads come from across partners organisations i.e. Health & Police.  |                                       |                         |               | Develop place based action plans for the neighbourhood hubs                                       |   |
|   |                                       |                         |               | Develop performance measures and targets  |   |
|   |                                       |                         |               | Run second Participatory Budgeting programme in a school setting. (Ringland Primary or Millbrook) |   |
|   |                                       |                         |               | Hold community action day in Ringland/Alway   |   |
|   |                                       |                         |               | Continued implementation of the Community Campus programme  |   |
